

## Managing the risk of Covid-19 Spread

### **Moonshine Enduro 12<sup>th</sup> & Moonshine eXtreme 13<sup>th</sup> September 2020 - Event attendee instructions.**

On arrival you will be met at the gate by our event marshals who will scan you into the event records with our event QR code and the Govt. tracer ap.

If you don't have the ap you will be required to fill out a contact tracing form. This will hold up traffic at the gate so please save time and get the ap or have the form below filled out ready to hand to the gate marshals when you arrive.

The carpark will be divided into zones and marshals will direct you to where you'll be parking.

All event attendees will be expected to wear face covering masks at the sign on and car park/pit areas. If you don't have a face mask they will be available for purchase at the gate.

All event attendees will be expected to maintain social distancing of 2m at all times, except at the vehicle/pit area where they can be within their own bubble. Attendees will be expected to manage their own pit area and ensure anyone who is not in their bubble maintains social distancing of 2m.

There will be not be a dedicated pit area, riders will pit at their vehicles.

Competitors will not need to wear face masks once they have their helmet on but must maintain social distancing of 2m with anyone who is not in your bubble.
